Metacom

Disagreement With the Church of England:

1. **Identify Supporting Details** Use the graphic organizer below to collect information about the Puritans. Include information about Puritan beliefs, economic class, and values.
2. **Compare and Contrast** Explain the key disagreements between the Puritans and the Anglicans.
3. **Summarize** Explain the difference between the Separatists and other Puritans.

Puritans Arrive in North America:

4. **Determine Author's Purpose** What actions did John Winthrop wish to inspire through his "City on a Hill" speech?
5. **Draw Inferences** Why did the Puritans feel threatened by religious toleration?
6. **Analyze Interactions Among Individuals and Events** What does the treatment of Roger Williams and Anne Hutchinson reveal about the relationship between church and state in the Massachusetts Bay Colony in the 1630s?

English Relationships With American Indians:

7. **Compare and Contrast** Compare and contrast the American Indians' reasons for fighting the colonists with the colonists' goals in the conflicts.
8. **Identify Cause and Effect** How did the contrasting ways of life of the Puritans and American Indians lead to conflict?
9. **Draw Conclusions** Why were only a few American Indians willing to move into the Puritan "praying towns"?
10. **Cite Evidence** What were some of the drawbacks of life in the early New England colonies? Cite evidence from the text to support your answer.
