Map Skills
The Civil War in the East, 1861-1863

Make your map as accurate as possible. ***Neatness will be graded***.
Use the map on page 454 from 17.2 handout to locate and label the following.
You will have to draw or estimate some items.
- Pennsylvania, West Virginia, Maryland, Washington D.C., Virginia
- Harpers Ferry, Antietam, Gettysburg, Bull Run, Chancellorsville, Fredericksburg, Richmond
- Monitor versus Merrimack
- Draw and Label the routes of Union and Confederate troop movement
- Draw and Label the victory locations of Union and Confederate troops

Color (**use light colors or color lightly**) the following areas on your map:
- Union States – Light Green
- Confederate States – Light Purple
- Use the symbols from your key to label the routes of Union and Confederate Troops
- Use the symbols from your key to label the victories of Union and Confederate Troops

Use the box on the map to create a map key like the map key on page 454.
The key must include:
- Confederate Troop routes
- Union Troop routes
- Confederate Victories
- Union Victories

When you are done, your map must look like the map on page 454.
